

Permission to Use Personal Images

Because we will be producing a short video of the conference, we will once again need the attached form in our possession before we can place images of anyone on the website or in any other media publications. We will need a signed form from each conference participant. If you submitted forms for your kids for the Fall Leadership Conference and those students will be attending the CDC, please send us a copy of those forms for our records.

The following information must be recorded on the Permission to Use Personal Images form:

School — *Print your school name*

Student Name — *Print the student's name*

Career Specialist — *Print your name*

Date — *Print the date*

- If the student is **18 years of age or older** they may sign the form themselves where shown in the middle of the page, but he/she **MUST** also print their names beside their signature.
 - If the student is **under the age of 18**, he/she must have their name (printed), parent or guardian's signature, address and phone number listed at the bottom of the page.
-

We will need a copy of this form for each person in attendance at the CDC, which also includes the specialist, chaperones and guests. Mail a copy of the attached form with each student or parent's signature listed. Retain the original and place it in your student's file at school. If you have small numbers of students, go ahead and fax their forms to Jim Lambert at **406-444-3037**.

If you have any questions regarding this form please call or email Jim.
